RESIDENT SPOTLIGHT

Hi there,
The Hope Center Newsletter
Welcomes you to it's new
Holiday Edition. Our goal is to
provide you with inspiration
and insight through news,
events, and testimonials. We
hope you find value within the
next few pages.

Once lost in the tides of addiction and homelessness, Blake sought solace in various secular rehabilitation facilities, but to no avail. Rock bottom had arrived, and he yearned for a way out. Through divine intervention, he found himself at ATS detox, where he felt the conviction of God and the desire to surrender himself to a higher power. It was there that he discovered a Christ-centered rehab program at Hope Center that would help him find work and housing. Blake knew that he needed help to get back on track and that he had to give his life back to God. He completed the detox portion of his journey and accepted the offer to continue his path to sobriety at Hope Center. Though it was not without its challenges, Blake has been at the center for almost six months now, dedicated to working towards a sober life and a stronger connection to God. He's learned to accept what he can't change and to trust in God's plan for his life. He has found great joy in helping others and inspiring them to succeed, becoming a role model for his peers in the program. He hopes to continue his vocational training in automotive body and paint and to one day have his own car, supporting himself and his family both financially and physically. But above all, his greatest aspiration is to mature spiritually and lead others to Christ, guided by his unwavering faith.
